ORDER

It has been noticed that during on-line classes of Ph.D. course work, some research scholars regularly keep on (unmuted) their mike and sending unnecessary messages which create distraction to Speaker/Resource Person.

The Coordinators of the Ph.D. Course Work classes are hereby authorized to remove/delete the names of such research scholars from the class temporary/permanently. The scholar will solely be responsible for all the consequences occurred due to the removal from the online course work class.
